To all those who have bought the music or come out to the shows - I'm very much obliged.

It's appreciated more than you know.

Thanks also to the Slater's for words of wisdom (and abuse), to Hugh & Alex, to Marty,

to Chris, Chris & the DKB South, and to all those other friends who continue to support me.

Graeme for his mics, his advice and continuing support.

Paul for once again contributing his time and huge talents to sing my songs and for her enthusiasm.

Special thanks to:
